

Taxation

The fluidity of taxation law constantly challenges large and growing businesses alike. How your business meets this challenge can affect your bottom line and the more your business grows the more complex your tax requirements become.

Keeping up with these tax changes is time consuming, and often places a heavy on burden on resources. GM Accounting guides clients through the constantly evolving taxation landscape whether their business activities are in Australia or overseas.

GM Accounting's taxation services include:

Taxation and Statutory Obligations

- Preparation of Income Tax Returns
- Preparation of Business Activity Statements
- Preparation of Installment Activity Statements
- Employment registrations and payroll processing
- Workers compensation
- Preparation of Fringe Benefit Tax Returns
- Preparation of Capital Gains Tax Schedules
- Preparation of Superannuation Fund Returns

Effective tax advice can give you a competitive advantage. Tailored, well-tested strategies and drawing on our knowledge of tax regimes we offer timely information and independent, pragmatic advice.

Superannuation

The growth of the Self Managed Superannuation Fund (SMSF) market over recent years has led to an increase in the number of providers offering SMSF administration services. While it is recommended that you engage the services of a professional advisor to partner with you to manage the administrative, reporting and compliance duties. Choosing the right partner will make all the difference.

If you do not already have your own self managed super fund but are interested in establishing one, GM Accounting's connections with independent specialists can assist you in deciding whether a SMSF is right for you and partner you with set up, administration and statutory reporting of the Fund.

Superannuation services

- Set up and manage the administrative, reporting and compliance duties for your SMSF
- Lodgment of relevant documents with the Australian Taxation Office and other regulatory bodies
